Dear Mr. Tanem:

As the release date for " On Golden Pond " approaches, discussions are plentiful concerning a New Hampshire showing of the film. There have been numerous inquiries about a New England premiere showing in New Hampshire.

Martha Leighton, Executive Director of the New Hampshire Film and Television Bureau, has kept me informed of the discussions between the Bureau and Universal Pictures on the feasibility of a New Hampshire premiere. She expressed that the outlook, based on information from your offices concerning a premiere or even a first week showing, is doubtful.

It is my understanding that no final decision has been reached and I hope that you will extend every consideration to New Hampshire as a site for the New England premiere.

Many thanks for your kind consideration.

Sincerely,

*Hugh J. Gallen*
